Richard,

The information included in the daily Sitrep that the Bravo Branch writes is only the number of teams in the field for the Debris Assessment Teams (DAT).

Please let me know if you have any questions or concerns.

Can you help provide Richard Mayer with this information by the end of today.

Thanks,

Abel

Anthony or Abel,

I have been asked by EPA what information do you want in the daily Sitrep report from the EPA staff that are monitoring the debris sites? Can you please provide so Richard Mayer can provide?

Thanks,

Melinda
